

Year 3 Homework

Choose any four tasks from the grid. You have two weeks to complete each homework, but they can be done in any order.

<p>Design a game that uses the French vocabulary you have learnt in year 3. (French)</p>	<p>Create a poster to encourage people to give something up for lent. You might want to give them some ideas of what they could do. (R.E)</p>	<p>Make a list of 10 things around your home which are magnetic and 10 things that are not. (Science)</p>	<p>Using your face (draw or photograph) design your clothing and jewellery as if you were a Tudor king or queen. (History)</p>
 <p>Create a factfile for Henry VIII, include pictures and information from school and new research at home. (History)</p>	<p>Choose 10 items from around your house and decide what materials they are made from. Record your results in a table. (Art)</p>	<p>Send Miss Bates an email telling her 5 things you have learnt this half term. class3b@trinitybuckshaw.lancs.sch.uk (Computing)</p>	<p>Make your own 3D model of a Tudor house or building, Think about the different materials you are using to create it. (D.T)</p>
<p>Write a set of instructions 'How to shoot a video'. You might want to write them, use pictures and annotations or even make a video! (Computing)</p>	<p>Write a definition for a solid, liquid and gas. Can you give some examples for each one? (Science)</p>	<p>Create a warm up, to a piece of music, which you could lead for our dance lessons. (P.E)</p>	<p>Create a mind map of everything you know about the Tudors. Add to it all the new things you learn. (History)</p>
<p>Create a poster for the literacy wall containing adverbs. Can you write some sentences that include and start with these? (English)</p>	<p>Create a poster which helps children to tell the time. Make them neat and colourful so we can display them. (Mathematics)</p>	<p>Create a rap or a song to help you remember how to do something in maths. (Mathematics)</p>	<p>Write 10 interesting sentences that use embedded clauses. Example: The pirate, with his cutlass clenched in his hand, swung onto the ship. (English)</p>

Approximately 20 minutes spent on a task at any one time.
