

What support do we have for you as a parent of a child with SEND?

At Trinity we have an open door policy. The class teacher or SENCO is readily available to discuss your child's progress or any queries or concerns you may have and to share any information about what may be working well in school or at home enabling us to work together effectively to support your child.

- The Inclusion Manager/SENCo is available to meet with you to discuss your child's progress or any concerns/worries you may have.
- All information from outside professionals will be discussed with you with the person involved directly, or where this is not possible, in a report.
- Personal progress targets /Individual Provision Maps/ IBPs will be reviewed with your involvement at least every term.
- Homework will be adjusted as needed to your child's individual requirements.
- A home-school contact book may be used to support communication with you when this has been agreed to be useful for you and your child.

If you feel you need extra support, as a parent, then we can always help you get in touch with services such as the Parent Partnership Services.
